

# Safe Home

**FREE!**

The Goldsen Institute - University of Washington

## Safe Home Training offered at No-Cost!

Best Practices for Serving LGBTQ+ and Racial and Ethnic Older Adults Residing in Nursing Homes in Washington State.

The Goldsen Institute's AgePRIDE Center at the University of Washington is inviting skilled nursing home providers in Washington State to participate in this innovative "Safe Home" training.

**Participants will gain knowledge and build skills to reduce health disparities and better serve the needs of LGBTQ+ older adults and their loved ones.**

- Improve cultural inclusivity
- Address LGBTQ+ and racial and ethnic needs
- Develop effective communication strategies
- Mitigate negative stereotypes and unconscious bias
- Gain practical skills to provide affirming services
- Create safe and welcoming environments
- Connect with local LGBTQ+ community resources

**TRAINING AVAILABLE NOW!**

**Contact [AgePrideCenter@uw.edu](mailto:AgePrideCenter@uw.edu) or 206-543-2449 for more information and to schedule a training.\***

\* Safe Home Training is offered at no-cost for Washington State Nursing Home Providers. CEUs and Certificate of Completion will be provided. There is a nominal training fee for other Long-Term Care Providers.
